The Delivery of Lea Bridge Gasworks

Since planning permission was granted on 18th August 2026 (ref. 252331), Berkeley have been developing plans to bring forward the redevelopment of Lea Bridge Gasworks. We invite you to attend the first in a series of workshops focused on delivery and remediation.

This will be an opportunity to engage with our delivery team and hear about how we will keep the local community updated as the project moves forward.

Project Delivery & Remediation workshops

IN PERSON

Monday 16th November

6.00pm – 7.00pm

Lea Bridge Library
Lea Bridge Road,
