Dear Resident,

**RE: Lea Bridge Gas Works Site**

St William are preparing to commence the construction of the approved redevelopment of the Former Lea Bridge Gas Works in April 2022. Ahead of a formal start on site there will be more information provided by St William regarding the key construction deliverables of the programme and main activities on site in the form of a quarterly newsletter.

In advance of construction works commencing on site in April 2022, St William are to undertake site clearance and utility survey works in preparation for the installation of site welfare facilities. The works will include clearance of low level vegetation and trees from the site. Works are anticipated to commence on 14th February for a duration of four weeks. The hours of working for these will be 8am to 6pm.

If you have any queries on the works please do not hesitate to contact us by email ([Leabridgegaskworks@stwilliam.co.uk](mailto:Leabridgegaskworks@stwilliam.co.uk)) or call 0208 349 6200.

Yours sincerely,

**John Morris**
